

# SAFETY RECALL

Master Lock® Red 1551D

Lock and Leash™ Lock

The red surface paint on this item contains lead in excess of federal standards.

The red version of the Lock and Leash™ lock (item no. 1551D) was sold between March 2007 and January 2008 through various retailers. No incidents or injuries have been reported.

This recall applies only to the red version of this lock. Other colors of the 1551D lock (blue, purple and black) are not affected by this recall.

**PLEASE RETURN ITEM TO MASTER LOCK FOR A FULL REFUND:**
